Certificate/Delivery No: RESPOS190046

Service Provision: Yatch for Private Clients

We hereby confirm that marine service with following details have been qualified as Carbon Neutral as per our standards which is defined in our ResorsusGreen OpenSeas Program Mitigation Guidelines.

Mitigation Quantity Explanation

Posiedon Marine is a high-end yacht company based in Trieste, Italy

The company operates 60 yachts that vary in size, style, and amenities. Services are provided including crew where, dining and other services are provided. The company's operations are focused on the Mediterranean region. The company offers yacht charters to various locations including Italy, France, Greece, Spain, and Croatia.

The company has also demonstrated a commitment to innovation and sustainability, investing in new and most efficient engines to reduce their climate impact.

Resorsus International has developed PoseidonMarine Program for the company as per ResorsusGreen's OpenSeas Guidelines. The Voluntary Carbon Credits on this certificate is financed by Poseidon Marine.

Green House Gas Summaries

Vessel Name	CO2 Eq. Emission	Mitigated Amount
Sea Phoenix	668	668
Pacific Vision	705	705
Global Harmony	640	640
Silver Seas	1033	1033
Starlight Voyager	752	752
Grand Alliance	769	769
Northern Venture	723	723
Oceanic Explorer	241	241
Erebus	992	992
Eastern Endeavour	1080	1080
